Dear Ms Rayyan:

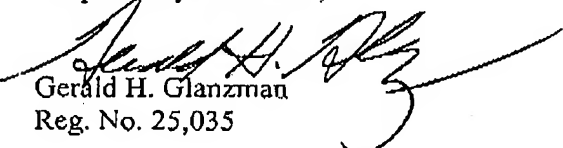

Further to our telephone conversations today, this will confirm that we have authorized you to amend the independent claims to incorporate the subject matter of claim 5, and to cancel claims 5 and 6. In addition, you are authorized to amend claim 19 to read "computer readable storage medium."

This is to advise that Applicants have agreed to amending claims 1, 10 and 19 and to cancel claims 5 and 6 from further consideration in this application. Applicants are not conceding in this application that those claims are not patentable over the art cited by the Examiner, as the authorized claim amendments and cancellations are only for facilitating expeditious prosecution of the allowable subject matter noted by the Examiner. Applicants respectfully reserve the right to pursue these and other claims in one or more continuation and/or divisional applications.

It will be appreciated if you would place this confirmation into the application file of this application.

Thank you for your assistance in expediting prosecution of this case.

Respectfully submitted,

  
Gerald H. Glanzman
